

THANK YOU

SENATORS SUSAN COLLINS AND ANGUS KING

For standing up for Maine's clean air and clean water and voting against Trump nominee Scott Pruitt for EPA Administrator

Thank you for defending the laws that protect the health of Maine people, strengthen our nature-based economy, and provide the clean air and clean water that define who we are as a state.

Now that Scott Pruitt has been confirmed as EPA Administrator, Maine people need your bipartisan leadership more than ever to protect Maine's environment and way of life.

We stand with you in defending Maine's environment.
